PROFESSIONAL EXPERIENCE

LEAD CONSULTANT AI & DIGITAL TRANSFORMATION (CO-FOUNDER)

- Iboga Lab — Ogooué-Maritime, Gabon June 2025 – Present
- Led consulting engagements in applied AI, process digitalization, and capability building for enterprises and institutions.
 - Conducted AI opportunity audits to identify operational bottlenecks and design end-to-end automation roadmaps.
 - Engineered no-code/low-code architectures (Make, n8n, APIs) and custom AI assistants, significantly reducing task execution time.
 - Advised 20+ businesses and venture projects (B2B/B2C), driving an average +35% increase in qualified inbound traffic.

EXPERT TRAINER — DIGITAL MARKETING

- International Organisation of La Francophonie (OIF) — Francophone Space May 2025 – Present
- Spearheaded educational delivery for the D-CLIC programme to equip Francophone youth with high-value digital skills.
 - Mentored and guided 500+ learners on the D-CLIC Moodle platform across the Francophone space.
 - Conducted interactive case-based mentoring sessions with personalized employability coaching.
 - Developed grading frameworks, validated capstone projects (digital strategy, AI toolsets), and resolved technical blockers.

COACH & TRAINER — DIGITAL MARKETING & AI

- Ogooué Labs — Port-Gentil, Gabon April 2024 – July 2025
- Mentored 2 learner cohorts in digital marketing: digital strategy, SEO, Social Ads, and community growth.
 - Led hands-on workshops on modern digital tooling, no-code workflows, and applied artificial intelligence.
 - Delivered individualised coaching, hands-on portfolio projects, and collaborative team assignments.
 - Outcomes: 75% professional placement rate and 92% student satisfaction score.

PRODUCT MANAGER & DIGITAL STRATEGIST

- Petit Marché Gabon & Ecole 241 — Gabon March 2022 – March 2023
- Managed product strategy for Africakard prepaid cards, launching new offerings that grew monthly revenue by +15%.
 - Directed performance digital marketing campaigns to scale brand visibility, acquisition, and conversion rates (Social Ads / SEO).
 - Formulated content strategy, analyzed campaign performance, and coordinated a cross-functional team of 4 designers.
 - Prior background: Logistics Coordinator at Daron Group (7 years) · Team Lead at Port-Gentil Municipality.
